

"To exist to see people in the 715 area experience lives change through God's love, power, and presence."

**Who:** In 2020, in light of the COVID-19 pandemic, Thrive Church saw a drastic need for people in search of food. Thrive started their food pantry in an effort to help community members. They welcome everyone to use their food pantries, not just those that attend their church services. Thrive expressed gratitude for how much their pantry has expanded since it was first opened as they used to struggle to keep their shelves stocked.

**What:** Every month, Thrive serves about 30 different guests and distributes over 120 bags of food! The goal for the pantry is sharing the gospel of Jesus Christ with their guests while ensuring the community members access to food.
